**All Truist Consumer Deposit Accounts**

**Changes are being made effective December 5, 2022** to the Bank Services Agreement ("BSA") that governs your account, including changes to the Electronic Funds Transfer Agreement as shown below. Continued use of your account after the effective date constitutes your acceptance of the changes. The most current version of the BSA can be obtained at any Truist branch or online at [www.truist.com](http://www.truist.com). All future transactions on your account will be governed by the amended BSA. If you have any questions about this change, contact your local Truist branch, your relationship manager, or call 844-4TRUIST (844-487-8478).

**6A: PARTIAL AUTHORIZATION FOR CARD TRANSACTIONS:** If a Card purchase amount exceeds the current Available balance in the primary linked checking or savings account when you are making a purchase, you may be able to use your Available balance to pay for a portion of the total purchase. The transaction will be subject to your card's daily spending limit. We will first try to approve the full amount of the purchase with the Available balance in your primary account, accounts linked for Overdraft Protection, and, \$100 Negative Balance Buffer for those eligible accounts. If we do not approve the full amount of the purchase, we may approve a portion of the purchase using the remaining available funds in your linked account. This is called "partial authorization." The remaining amount of the purchase total would need to be covered by another form of payment, such as cash or another card. If you are unable/unwilling to provide an additional form of payment, the partial authorization will be reversed by the merchant. Not all merchants are able to accept partial authorizations or process transactions using multiple forms of payment.
